Dear Families,

We hope that you have all had a lovely couple of weeks. It has been so lovely to finally see the sunshine and the children have loved the fact that they can go back onto the field now it is dry.

### **JTA Mascot Winner**

As you will know, some of the children across the Federation took part in our competition to design a JTA Mascot. We have a winner from each of the schools and then an overall winner, which Mrs Bull had the difficult decision to decide upon.

A huge well done to Lorena, who was the winner for Lonesome. We loved her clever design. However, the overall winner was Stefano from Singlegate. This fabulous design will be made up into a proper costume, which will be used in upcoming events.

### **Sporting Achievements**

We are excited to be sharing with you some of the sporting achievements that some of our children have be awarded outside of school. A huge congratulations to Sophia from Palin Class, who achieved a black belt in Kung Fu – this is fabulous! If your child is part of a club and have reached a particular milestone, we would love you to tell us about it so that we can add it to our next bulletin.

### **Wednesday Pizza Party**

A huge well done to Bubl  Class, who won the Pizza Party for the first time last week. They had a wonderful lunch to celebrate their success with their attendance and it is always so nice to have a new class win. I know that the children really enjoyed their pizza. They were also the first class to enjoy the

new ice lollies that the Head Boy and Girl team have added to the menu. These most certainly went down a treat!

## Eco Warriors

Our Eco Warriors have been working really hard around the school with Mrs Jenkins doing everything possible to ensure that we are as sustainable as possible. They have been ensuring the paper is being recycled and that litter is being collected around the school. They really are loving their roles and they particularly enjoyed making sustainable bird feeders this week, which are going to go up around the outside provision of the school. We are looking forward to seeing what birds they attract.

## Wow Cards

A huge well done to the following children, who really impressed their class teachers and received a WOW Card. Keep up the good work 😊

## Attendance

We are continuing to work hard on ensuring that all of the children are in school every day and that they are on time. Punctuality continues to be a real concern. Please do remember that all children should be starting school at 8.30 am and that when they are late, they are missing out on some of their key learning. Please do support your child to ensure that they are in school on time.
