Dear Families,

WINNER'S WEDNESDAY

The eight classes with the highest attendance percentage on the Friday that have enjoyed the in-class **Pizza Party** so far have been Rowling Class, Potter Class, Kingsley Class, Attenborough Class, Farah Class and Gates Class – well done to Potter Class and Gates Class who have won this treat twice!

CONGRATULATIONS to 5 of the children in Attenborough Class who competed in the Federated Netball competition last week. We are very proud to share that William Morris was the WINNING school. Well done team!

WINNING team!

Hampton Court Palace

The children in Year 2 enjoyed a fabulous time visiting the wonderful Hampton Court Palace. They enjoyed visiting the Tudor kitchens, seeing the wonderful art throughout the Palace and then taking a stroll throughout the stunning gardens.

Gardening Club

The Eco Warriors have had a wonderful time during their club so far! I'm sure that they are going to do a fabulous job at getting the garden area looking wonderful and ready for when the sunshine decides to make an appearance! Keep an eye out for the next gardening event that we will be asking families to join.

Stephen Lawrence day

This was our third Stephen Lawrence Day that was dedicated to Stephen's memory allowing us all to reflect upon the part that we all play in creating a society in which **everyone** can flourish. This day had been planned to inspire children to dream freely without barriers and to realise the absolute importance of education in attaining those dreams. We wanted our children to have the opportunity to question their judgements and those of others. We wanted our children to get involved in creating the kind of community that they want to live in and we wanted them to have a strong voice in building a fairer and more inclusive society. We focused part of the learning on how different the world would be if everyone were kinder. The children enjoyed creating a class kindness activity for their class 'Kind Self on the Shelf'. They also thought carefully about a structure that they could design and then make that would be good for the environment, which linked to Stephen Lawrence who aspired to become an architect. We look forward to sharing images of the end products in the next bulletin!

Attendance

Punctuality and attendance continue to be an area of focus. Please may we also take this opportunity to remind you that school starts for the children at 8.30 am. Those children who arrive to school after this time are missing out on planned Early Morning Work that sets them up for the day.
