Dear Families,

A Special Honour for Mrs Bull

We are thrilled to congratulate Mrs Nathalie Bull on being awarded an **MBE** in the King's Birthday Honours List for services to education.

This prestigious national honour recognises the significant contribution Mrs Bull has made to education and the positive impact that she has had on countless children, families and staff throughout her career. We are extremely proud to have such an inspirational leader at the heart of our Federation. We send her our heartfelt congratulations on this fantastic achievement.

Mrs Bull was also visited by Dame Siobhan McDonald, the MP for Mitcham and Morden, to celebrate this great lifetime achievement.

PALS Board Game Competition

Last term, our PALS shared an exciting competition for the children where they had to design a board game. The PALS were blown away with the number of children who took the time to design their own board games and choosing the winning games was not an easy task by any means. The PALS ended up choosing three winners, which are shown below:

Treasure Dash
Crosses
Faith – Year 5

Pirates to the Treasure
Muhammed – Year 3

Maths Noughts and
Heitor – Year 4

These children all won a special prize and their board games will be displayed and used in one of our PALs sessions. Well done to all those children who took part.

Home Learning Winners

We had some fabulous home learning winners this term. A huge well done to all of the children who completed these pieces of work at home. We had some wonderful dinosaurs, an incredible gas mask and some great writing about the children's heritage. A huge well done to all our winners and please do come and see the work, which is displayed outside the office.

Total	95%

Our attendance last week was just below the national expectation, which is not bad at all. We do have a few classes where the attendance is of concern but we are keeping an eye on this. A huge well done to Pankhurst Class though, who achieved 100% attendance! They will receive their pizza party this coming Wednesday.

As we head towards the end of term, please do make sure that you keep sending your child in every day. There is still a lot of important learning going on.

Mathletics

Well done to Mandela Class, who won the Mathletics competition last half-term. The children scored an incredible average score of 2,720– well done! As a prize, the children earned an extra play time and time on the chrome books. Please do keep reminding your children to complete the work that the teachers set for the children on Mathletics. We look forward to finding out who will take the title this term.
