

Monday 15th April 2024

Dear Families,

We hope that you have had a lovely Easter break. We are very much looking forward to welcoming the children back to school tomorrow and for starting our very exciting summer term. We have lots of activities and learning planned for the children over the next few months.

BeDifferent Book Borrow

The first Book Borrow will take place on Thursday 18th April. This will continue to take place outside the library in the main playground at 8.25 am. Please do continue to choose a book with your child and encourage them to read with you at home.

The Big Walk and Wheel Event

Our JTA's did a fabulous job of encouraging the children to choose healthier ways to travel to school. They enjoyed being on the gate each morning to celebrate those who were walking, wheeling, scooting and cycling to school.

The JTA's also enjoyed talking to the children about this challenge during our assemblies and we were all impressed with how confident they were at presenting. Thank you to those who spent time designing and/or making a Federated Mascot. Although we didn't have many entries, the JTAs enjoyed looking at them and choosing the Lonesome winner, which will go to Mrs Bull, who will choose the overall Federated winner. We will keep you posted on who this is in our next bulletin.

WINNER'S WEDNESDAY

The competition for the grand price of the **Wednesday Pizza Party** continues to be strong across the school and we are all so pleased with how this is having a huge impact on our overall attendance – **THANK YOU!** Since we have introduced this initiative the following classes have won by achieving more than 94% attendance on a Friday: Donaldson, Palin, Pankhurst, Roots and Da Vinci. We know the children are desperate to get their party for their class so please do support us with this by making sure that your child is attending school on a Friday.

Spring PALS

Our Playground Leaders have been super busy this past half term with planning lots of fabulous activities for the children at Lonesome. They really enjoyed helping the children in the Early Years plant some seeds, which we will all really enjoy watching grow over the next few months. They also organised a wonderful Easter Egg hunt for the children across the school at the end of the term. Unfortunately, some of these hunts did get cancelled at the last minute, due to the weather but this did not deter the team. They really are a joy to work with and we are looking forward to seeing what activities they come up with in the summer term.

Congratulations to all of our Homework Heroes, who completed fabulous homework last half term! We are very proud of you for your effort, hard work and achievement.
