

Monday 1st July 2024

Dear Families,

It certainly has been a fun-filled, busy couple of weeks with many events taking place.

Wonderful Willersley

Miss Oliver-Tait, Mr Stone, Mrs Dobson and myself enjoyed a very special weekend with the Year 6 children to Willersley Castle in the beautiful Derbyshire Dales for their final residential. It was lovely to spend a long weekend enjoying a range of exciting and sometimes never before tried activities such as rifle shooting, kayaking, grass sledging and axe throwing. The children were so very well behaved and a joy to be with. The children have returned full of life-long memories and stories to tell. I am looking forward to next year already!

Summer Carnival

A very big **THANK YOU** for all of the donations received so far for our upcoming Summer Carnival. The raffle tickets for our summer sports hampers will be on sale from Wednesday 3rd July.

Please find below a reminder of when our next non-school uniform days will be.

Sports Day – Years 3 and 4

Friday 28th June saw the start of our summer sporting events. Children took their place at the start line to compete in coloured teams for a Federated win, as well as competing for the honour of the winning school! The David Weir Stadium was alive with the whoops and cheers from encouraging spectators. Lots of photos to follow in our next bulletin!

Ground Force Work Day

A toasty THANK YOU to families and staff, who joined us for a little

gardening as part of our 'ground force' gardening event. Mrs Jenkins led the team in weeding and painting to prepare our growing area for some planting later this year.

Our worthy WOW cards this week – keep it up!

Our fabulous Choir have certainly been busy over the past two weeks having performed with schools from across Merton in the MMF SingFest celebration and delighting families earlier this week in a performance of all that we have learned so far. Sounding fabulous, as always team!

Mrs Bull and Ms Revell

We continue to monitor the attendance of all children in our school and you will see from the attendance grid that only 6 out of 16 classes meet the expected 94.2% We have some work to do...
