Dear Families,

Proud Pizza Party Participants!

A very big WELL DONE to Barbican Class, who yet again secured themselves a celebratory pizza party as a result of the collective effort to be in school every day. We were pleased to award the children not only with the delights of a delicious pizza-based lunch but also some time to enjoy playing selected games together.

We are very pleased with the percentage attendance results for many of our classes this week, with lots of classes achieving into the high nineties. Keep it up!

Being in school every day ensures that your child has the best possible means of success in their learning, their relationships with others and the opportunities that they are able to enjoy together.

Our budding young model and actor, Ezra (Year Five) was pictured with mum, Jessica during the Science Museum's Wonderlab media day. Selected from many enthusiastic hopefuls, Ezra and Jessica now take pride of place on the museum's website and venue. Do look out for them both, when you're next there. Such a great picture!

Royal Albert Hall 'Looking Up' 2026

What an incredible event this was!

Tuesday 10th March saw the children of Edgware Class perform at their BEST!

After months of working with Merton Music Foundation to master the lyrics and melody of over 12 songs, the children came together to shine. We were delighted by performances from children in various music ensembles and from special schools such as Cricket Green and Perseid in the first half, before taking to the main stage ourselves. It was wonderful to have some of our children from across the school to include Year 3, George, who played with the guitarists within Merton and Lauren, Year 6, who was one of three children to perform a solo verse! They were so very brave to stand proudly in front of thousands gathered in the audience! We couldn't be more proud of the children – they sounded incredible. A very big **THANK YOU** to the team for joining me in supporting this event – Mrs Jenkins, Mrs Schulenberg and Miss Houston.

Singlegate's SPORTING SUCCESS!

We are absolutely THRILLED to be able to share Afia's recent success with you. Competing against many other prestigious schools across Great Britain at the British Schools Judo Championships, Afia triumphed in five fights over the course of the two-day event. Her victories resulted in her BRONZE award and prepares her for the TEAM GB pre-cadet programme moving forward. Well done, Afia. We are so very proud of your commitment, effort and determination. A worthy winner!

ALL BOOKED UP at Singlegate Primary School 2026

A truly FABULOUS day that was enjoyed by all. With a trip to the 'Book n' Bite' café, BeDifferent Book Boffin Quiz, surprise readers and more, the event was a celebration of reading for pleasure. We loved wearing our pyjamas and dressing up as our favourite book characters to really bring this fabulous day to life.

This year, we challenged the children to be creative with their book character costumes. The most creative costume in each class was selected and these children were awarded with a very special prize. Our older children were challenged with a tricky Book Boffins quiz that tested their memory of the texts read in class so far this year. The children who answered the most questions correctly were then rewarded with a special prize for their hard work. The competition was so very close and we are very proud of all that the children remembered.

Thank you to our families for their donations of books for this event and for supporting the children by preparing costumes, pyjamas or sending the children into school with money to spend in the Book n Bite Café.

The PALs (Playground Activity Leaders) were out 'in force' and established a cosy reading-only corner in the sensory garden. This was enjoyed by many, supported by the lovely weather that day!

Another **HUGE** well done is need for our Years Five and Six swimmers, who recently competed against other schools across Merton. We were **THRILLED** to bring home the **SILVER** medal overall, with many individual successes to include Gold medals for Edith (Y6) and Alexa (Y5) and Bronze for Tathya (Y5) and Xanthe (Y6). We are so very proud of you all. What great representation for Singlegate Primary School.
