Dear Families,

Stephen Lawrence Day

Monday 22nd April marked our third Stephen Lawrence day and we can certainly see how much the children have continued to remember about Stephen Lawrence's life and legacy. The day incorporated learning across many subject areas - Citizenship, History and Design and Technology. Themes explored this year included taking ownership and the responsibility for being 'kind' as part of the children's learning. It is important for us all to understand that being kind may sometimes require us to give people difficult messages, especially when it comes to the safeguarding and protection of others. Kindness in this context will not get in the way of acting responsibly.

Each year group focused on what STEPHEN symbolises (Special, Talent, Education, Positive, Hope, Equality and Never Forget) with a focus on how we can also be kinder.

Here are just a few of some of the 'Kind Self on the Shelves' and structures that were created in classes and remind us of the important messages from the day.

Attendance and illness

It can be tricky deciding whether or not to keep your child off school when they're unwell. There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be absent from school and when they shouldn't. Please click [here](#) to view the government guidelines and here for Healthier Together programme.

Please note that the school office must have proof of a medical appointment before arriving to collect your child early from school.

Our schools in the BeDifferent Federation took part in this year's Big Walk and Wheel event aimed at encouraging more sustainable and active ways of travel. The JTA's eagerly waited at the gates each morning to welcome children and celebrate their active choice of travel. We were delighted to have placed 27th from 180 schools in the regional heat and 59th from 916 schools nationally! This is an INCREDIBLE achievement. Well done all – let's keep this up.

Extra-curricular Clubs at Singlegate

Please may we remind you to check the times of the club that your child attends. Please make sure that you wait outside the gate of Hyde Park Corner rather than coming onsite, as we have After School Club children being supervised.
