**Federated Netball Event**

We delighted in the opportunity to challenge children across the Federation last week, as our Year 5 teams competed with effort and determination. Players worked hard to draw upon their skills to score a number of points. Whilst we didn't bring any medals home on this occasion, we certainly had a lot of fun! Well done team!

We joined in celebrations of the French tradition 'La Chandeleur' (Candlemas) last week. Children across Key Stage Two spent the day learning about this special day, why and how it is celebrated in France. A wonderful coq au vin was prepared by Kerry and her team with crepes to enjoy for pudding! The children produced some fabulous pieces from the day to include musical compositions, dance moves and artwork in the style of selected French artists. Thank you all.

**Year 6 citizenship event**

Children from our Year 6 classes took part in the annual citizenship event last week. With speakers from the various emergency services, they explored different ways in which they can keep themselves safe in the community.

The children produced some incredible artwork during our Go Big or Go Bust art themed day.

Do take the time to enjoy the wonderful displays, when joining us for PAR Day next month.

**Fabulous class visits**
