## Stephen Lawrence day

The children enjoyed creating a class kindness activity for their class 'Kind Self on the Shelf'. They also thought carefully about a structure that they could design and then make that would be good for the environment, which linked to Stephen Lawrence who aspired to become an architect. Here are some of the children's fabulous creations!

The children worked really hard to create some wonderful structures that will be kind to our environment – I'm sure you will spot many in our outdoor spaces!
