

Monday 6<sup>th</sup> July 2020

Dear Families,

I do hope that you are well and that you were pleased with your child's end of academic year report.

As previously suggested, our transition plans have had to be adapted to ensure that all children have the opportunity to meet their new classteacher and teaching assistant and then have an opportunity to say 'thank you and farewell' too. These next few weeks will be very busy for staff, as they begin to ensure that discussions about their current classes carefully inform the next teacher. It is really important to us, that when the children do return in September, that every member of staff has a good understanding of the needs and wants of the children in front of them.

This letter will inform you of your child's new classteacher and teaching assistant and how to meet your child's classteacher and teaching assistant 'virtually'.

We will be welcoming two members of staff to our teaching team this year, Mrs Shraga, our new Milne classteacher and Miss Heppenstall, our new Mandela classteacher. We will also be welcoming Miss Smith, our new teaching assistant in Columbus class.

You will have noticed that I have combined both of the Year 3 classes and have appointed two teachers for Mandela Class.

Two of the new staff listed above have already worked within our BeDifferent Federation. Miss Heppenstall has had substantial experience at William Morris Primary School and Mrs Shraga is coming from Singlegate Primary School. I am very lucky to be in a position of deploying staff from across the Federation to ensure that they continue to develop professionally, whilst being able to remain with us.

Please find the Staffing Structure for 2020-2021 confirming the classes and staffing for the next academic year. I have also included a table of the entire staffing team and their roles in our school, for your reference.

As I am sure that you will have been expecting, the usual handover session planned for staff and their new classes will be somewhat different this year. This year the staff teaching your child/ren have prepared a 'welcome' video for you to

access from the google classroom. This video will be accessible to you using the username and password previously accessed by you when viewing the staff messages:

Username: [lonesomestudent@swmf.org.uk](mailto:lonesomestudent@swmf.org.uk)

Password: lonesome123

You must then visit the classroom that your child will be in, **this September**. This video message will be available to your child this **Friday 10<sup>th</sup> July 2020 from 9.00 am**.

The Foundation Stage families (Nursery and Reception) will be able to view a virtual tour of the Early Years provision on our website: <https://www.bedifferent-federation.org.uk/>. There will not a personal message from the classteacher in the google classroom.

I am keen to not overwhelm you with information in this letter so by the end of this week I will be informing you of our 'thank you and farewell' plans, my expectation for this summer holiday and some idea of my suggested plans for welcoming back all of our children. The guidance from the Government is still being sent to us as Headteachers and I am sure that more will come in the next few weeks and months. As I have always said to you, I am only ever keen to communicate a finite plan, during these times of uncertainty and speculation so that my staff, you and the children understand what the expectations are of you and why they are this way.

I have continually appreciated your patience and support during these times and I would like to thank you again.

Yours faithfully,

Mrs N Bull  
Chief Executive Headteacher
