

Knowledge Outcomes

Chocolate is made from cacao pods.

Cacao beans are commonly grown Ghana, Peru, Brazil, Cameroon, Nigeria and Indonesia.

Fair trade chocolate farmers are paid fairly for their product from countries all over the world.

Cacao beans grow in warm climates near the equator.

Challenge:
Chocolate is imported into Great Britain because the UK doesn't have a suitable climate to grow cacao pods.

Strength Lies in Difference

WALT: begin to be familiar with these key terms and understand their meaning: Discrimination, Wealthy, Society, Perception, Stereotype, Heritage, Ethnicity and Identity

WALT: be familiar with inspirational and aspirational role models from the African/Caribbean/Asian/Chinese communities

Physical Development

Health Related Education

WALT Develop our knowledge of how the body functions/changes during exercise

WALT Develop our ability to exercise at different intensities

WALT Develop our knowledge of how the food & drink we consume affects our body

Multi-skills

WALT Throw and catch displaying with accuracy, in isolation and varied environments

WALT Become competent in the fundamentals of movement (Jog, Sprint, Hop, Weight on Hands, Jump, Balance & Coordination)

WALT Use fundamentals of movement to employ simple tactics in competitive environments

Personal, Social and Emotional Development

PSCHE: Relationships

How can we be a good friend?

WALT Understand how friendships support wellbeing and the importance of seeking support if feeling lonely or excluded

WALT Learn how to recognise if others are feeling lonely and excluded and find strategies to include them

WALT Learn how to build good friendships, including identifying qualities that contribute to positive friendships

WALT Know that friendships sometimes have difficulties, and how to manage when there is a problem or an argument between friends, resolve disputes and reconcile differences

WALT Know how to recognise if a friendship is making them unhappy, feel uncomfortable or unsafe and how to ask for support

R.E.: Symbols in religion

WALT Know everyday signs and symbols have a meaning.

WALT Understand the importance of symbols and what they represent.

WALT Know different religions have symbols e.g. Cross, Star of David, Crescent Moon, Wheel of Life, Om, Khanda etc.

WALT Know that movements and activities (rituals) can also be symbolic.

WALT Understand that within religions, different groups may place more emphasis on symbolism and ritual than others e.g. within Christianity, Orthodox and evangelical Christians.

AUTUMN TERM 1 Activities *Delightful Dahl* Year 3

Languages

Getting started

WALT Say a greeting

WALT Say own name and how they are feeling

WALT Can attempt a question about name and feelings

WALT Remember and say most numbers between 1 and 10

Understanding of the World

Geography:

Human and physical geography

WALT Describe and understand key aspects of:

- Physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle

- WALT understand human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water

Geographical skills and fieldwork

WALT Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied

Science: Light

WALT Recognise the need for light in order to see things and that dark is the absence of light

WALT Notice that light is reflected from surfaces

WALT Recognise that light from the sun can be dangerous and that there are ways to protect their eyes

WALT Recognise that shadows are formed when the light from a light source is blocked by an opaque object

WALT Find patterns in the way that the size of shadows change.

Computing: E-Safety

WALT Explain why we need passwords and know that they should be kept safe

WALT Follow some e-safety rules

WALT Recognise online adverts

English / Mathematics

Please see separate Success and Challenge cards

Expressive Art and Design

Art / Design

WALT: develop our drawing skills charcoal, pencils and sketching. They can incorporate previously learned techniques i.e. line, shape (geometric and irregular), colour and space.

Music

WALT Listen with attention to detail and recall sounds with increasing aural memory.

WALT Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians.
