AUTUMN TERM 2 Objectives The Mummy Returns Year 5

Expressive Art and Design

Art: Painting

Create a colour palette, demonstrating mixing techniques.

Use a range of paint (acrylic, oil paints, water colours) to create visually interesting pieces.

Music: Composition

Improvise freely over a drone using tuned percussion and melodic instruments

Improvise over a simple groove, responding to a beat
Experiment with a wide range of dynamics including very loud, very quiet and moderately loud and quiet.

Understanding of the World

Geography: Egypt and the River Nile

Locate some of the world's countries, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.

Describe and understand key aspects of physical geography – rivers.

Describe and understand key aspects of human geography – types of land use, distribution of natural resources (energy).

History: Ancient Egypt

Learn about the achievement of the earliest civilisations – an overview of where and when the first civilisations appeared and a depth study of Ancient Egypt

Science: Forces

Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object

Identify the effects of air resistance, water resistance and friction, which act between moving surfaces

Recognise that some mechanisms including levers, pulleys and gears allow a smaller force to have a greater effect

Computing: i-Web

Use advance search functions in Google (quotations).

Understand websites such as Wikipedia are made by users
Use strategies to check the reliability of information (cross check with another source such as books).

Use their knowledge of domain names to aid their judgment of the validity of websites.

Languages

In the City

Understand place nouns you might see in a city.

Use masculine and feminine nouns in simple sentences to describe a city.

Verbally buy an entrance ticket to museum or a gallery.

Write a sequence of simple sentences to describe a city.

Physical Development

Gymnastics

Develop knowledge of gymnastics balances.

Develop ability to hold a balance.

Learn to travel in a variety of ways.

Develop knowledge of Mirror/Match & Canon & Unison

Hockey

Develop control of the hockey ball

Develop ability to dribble with stick

Develop ability to pass the Hockey ball to teammates

Develop ability to apply skill in a competitive environment
