AUTUMN TERM 2 Objectives *I'm a Survivor* (Geography focus) Year 6

Knowledge Outcomes

The hottest place on Earth is Death Valley in California, USA and the coldest place on Earth is in Antarctica.
The hottest inhabited place on Earth is in Ethiopia and the coldest inhabited place on Earth is in Russia.
The UK has less extreme weather than other parts of the world due to its location on Earth.
Mountains have different climates due to their high altitude.
A drought is a temporary water shortage that can occur when an area does not get as much rain as usual.
Antarctica is the world's only uninhabited continent.

Understanding of the World

GEOGRAPHY:

Locate some of the world's countries, including Russia, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.
Identify the position and significance of lines of latitude and longitude, the Prime / Greenwich Meridian and time zones (including day and night).

SCIENCE: Evolution and inheritance

Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

COMPUTING: i-Network

Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts
Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs
Understand computer networks including the internet; how they can provide multiple services, such as the World Wide Web; and the opportunities they offer for communication and collaboration

English / Mathematics

Please see the objectives in the autumn term success and challenge cards

Expressive Art and Design

ART & DESIGN: Famous Artists

Give detailed observations about notable artists', artisans' and designers' work.
Learn facts about notable artists', artisans' and designers' lives.
Key artists and designers: Pablo Picasso,
MUSIC: Musicianship
Read and play confidently from rhythm notation cards and rhythmic scores.
Read and play from notation a four-bar phrase, confidently identifying note names and durations.
