

The Mummy Returns Knowledge Outcomes:

| | |
|--|---|
| <ul style="list-style-type: none"> The Ancient Egyptian civilisation began to grow around 3100BC and lasted for approximately 3000 years. | <ul style="list-style-type: none"> Most ancient Egyptians worked as field hands, farmers, craftsmen and scribes. A small group of people were nobles. |
| <ul style="list-style-type: none"> The Ancient Egyptians built the pyramids as tombs and monuments for their pharaohs. | <ul style="list-style-type: none"> Mummification is the process of preserving the dead. |
| <ul style="list-style-type: none"> The treasure-filled tomb of Tutankhamun was discovered by Howard Carter in 1923. | <ul style="list-style-type: none"> The ancient Egyptians invented one of the earliest known writing systems used from around 3000 BC called hieroglyphs. |

Key Vocabulary:

Ancient Egyptians, Egypt, civilization, archaeologist, excavate, River Nile, noble, scribe, pharaoh, pyramid, sarcophagus, amulet, burial, mummy, linen, canopic jar, embalm, Tutankhamun, tomb, afterlife, hieroglyphics, Rosetta stone

PSCHE:

Relationships

How can social media influence people?

Understand the role of social media in most societies but especially Britain.
Understand how social media influences your view of the world.
Understand how the media, including online experiences, can affect people's wellbeing – their thoughts, feelings and actions
Know that not everything should be shared online or social media and that there are rules about this, including the distribution of images
Know how text and images can be manipulated or invented online; learn strategies to recognise this
Learn to evaluate how reliable different types of online content are, for example, videos, blogs, news, reviews and adverts
Know how to recognise unsafe or suspicious content online and what to do about it
Know how to make decisions about the content they view online and know if it is appropriate for their age range
Know how to respond to and if necessary, report information viewed online which is upsetting, frightening or untrue

R.E.

What is Religion?

Hinduism – How can Brahman be everywhere and in everything?

Explain how values and qualities such as kindness or friendship can be shown in different aspects of my life whichever role I am playing.
Make links between Hindu beliefs regarding Brahman and gods with how they choose to live their lives.
Express my understanding of how Brahman can/cannot be in everything.

SPRING TERM 1

Activities

The Mummy Returns Year 5

These are the knowledge outcomes (the things we must aim to know) for our learning this half term.

Understanding of the World

History:

Learn about the achievement of the earliest civilisations – an overview of where and when the first civilisations appeared and a depth study of Ancient Egypt

Science: Materials

Compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, conductivity (electrical and thermal), and response to magnets
Know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution
Use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating
Give reasons, based on evidence from comparative and fair tests, for the particular uses of everyday materials, including metals, wood and plastic
Demonstrate that dissolving, mixing and changes of state are reversible changes
Explain that some changes result in the formation of new materials, and that this kind of change is not usually reversible, including changes associated with burning and the action of acid on bicarbonate of soda

Important Dates:

Art: Go Big or Go Bust

Tuesday 1st January 2026

R.E: What is Religion?

Thursday 22nd January 2026

Music: Let's Compose

Wednesday 28th January 2026

Citizenship: Rational Relationships

Thursday 5th February 2026

Mathematics

In Mathematics, this half term children will be working on the following objectives from the Year 5 Success and Challenge cards:

I am able to multiply proper fractions and mixed numbers by whole numbers supported by materials and diagrams

I am able to round decimals with two decimal places to the nearest whole number and to one decimal place (5F7) and any whole number up to 1,000,000

I am able to use all four operations to solve problems involving measure (**a: money; b: length; c: mass / weight; d: capacity / volume**) using decimal notation, including scaling.

Design Technology

Design

- use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups
- generate, develop, model and communicate their ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes and computer-aided design

Make

- select from and use a wider range of materials and components, including construction materials according to their functional properties

Evaluate

- investigate and analyse a range of existing products
- evaluate their ideas and products against their own design criteria and consider the views of others to improve their work
- understand how key events and individuals in design and technology have helped shape the world

Technical knowledge

- apply their understanding of computing to program, monitor and control their products – design

Computing:

iModel

Understand the difference between 2D and 3D shapes
Become familiar with basic 3D modelling tools
Understand that graphical models can easily be changed
Use features of graphical modelling software to develop a 3D model
To evaluate and improve 3D models

Languages

Healthy Eating

Recall nouns for fruits and vegetables. I can identify the gender of the noun.
Recall and use numbers between 0 and 50 and I can ask for quantities of fruit and vegetables.
Participate in a simple shopping dialogue at the market.

Physical Development

This term children will learn:

Gymnastics

Able to perform a range of more advanced actions with good control and coordination such as forward and backward roll, group balance, cartwheel and begin to vault
Consistently repeat sequences with accuracy and smooth transitions
Demonstrate an increased level of stamina, strength and speed to enhance performance
Perform longer movement sequences confidently with a clear beginning, middle and end
Often demonstrates good timing of movement when working with a partner (e.g. when mirroring)

Express:

Educational visit to The British Museum

English

In English, this half term children will be working on the following objectives from the Year 5 Success and Challenge cards:

I am able to plan my writing by identifying the audience and purpose of the writing, and using other similar writing as models for my own work.
I am able to plan my writing by noting down and developing my ideas, using additional reading and research where necessary.
I am able to select the appropriate grammar and vocabulary in my writing.
I am able to use words such as then, after that, this, firstly, to build connections in a paragraph.
I am able to link ideas across paragraphs using adverbials of time e.g., later, place e.g., nearby, and number e.g., secondly
I am able to edit my work and make changes to vocabulary, grammar and punctuation to make the meaning clearer.
I am able to use the correct subject and verb agreement.
I am able to use expanded noun phrases to convey complicated information concisely.
I am able to indicate degrees of possibility using adverbs e.g., perhaps, or modal verbs e.g., might, must.
I am able to add information to my sentences using relative clauses beginning with who, which, where, when, whose, that or an omitted relative pronoun.
I am able to use a colon to introduce a list.
I am able to use and understand the following terms: Modal verbs, relative pronoun, relative clause, parenthesis, bracket, dash, cohesion, ambiguity.
I am able to use brackets, dashes or commas for the same purpose.

Expressive Art and Design

Art and Design: Sculpture

Plan and design a sculpture.
Use tools and materials to carve and add shape.
Develop cutting and joining skills, e.g., using wire, coils.
Use wire and foil to create a 3D sculpture.

Music: Composing

Improvise over a simple groove, responding to the beat.
Experiment with using a wider range of dynamics, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte), and moderately quiet (mezzo piano).
Compose melodies made from pairs of phrases. These melodies can be enhanced with rhythmic or chordal accompaniment.
Compose a short 3-part piece to evoke a specific atmosphere, mood or environment. Capture and record creative ideas using graphic symbols, rhythm notation and time signatures, staff notation or technology.

This half term, we will be reading the book: The Mummy Returns by John Whitman

Strength Lies in Difference

Children to understand the difference between being non-racist and an anti-racist.
-Children to be familiar with these key terms and understand their meaning: Discrimination, Wealthy, Society, Perception, Stereotype, Heritage, Ethnicity, Identity, Justice, Injustice
Children to understand the importance of heritage and how their heritage and that of others is something to be celebrated.
