

## SPELLATHON CHAMPIONS 2022

A very big well done and THANK YOU to all of our children who worked hard to learn their spellings and compete in our Federated Spellathon this term.

All of the children who made it through to the final on Thursday 16<sup>th</sup> June 2022 had earned their place by achieving 100% of the spellings learned in their previous semi-final spelling tests. The children had to learn a range of spellings from their year group spelling list to make it into the very competitive final.

Those fabulous spellers in the final were then given a whole host of new words to learn in preparation for what would prove to be a very tough final. Under test conditions, the children were tested on some very difficult words, with the top spellers then making it through to our head to head battle to fight for the Spellathon Champion title. Our top spellers endured words such as 'pneumonia' in order to really test their spelling abilities.

A huge congratulations to our top three winners:
