SUMMER TERM 1 Activities Green Fingers Year 5

Expressive Art and Design

DESIGN AND TECHNOLOGY:

WALT Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques
WALT Select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities
WALT Use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups

MUSIC:

WALT Listen to and discuss a range of musical pieces from the Baroque period
WALT Identify the style and instruments commonly used in Baroque pieces
WALT Learn about the work of classical composers (e.g. Vivaldi)

Understanding of the World

GEOGRAPHY:

WALT Name and locate counties of the UK, geographical regions and their identifying human and physical characteristics, key topographical features and land-use patterns, and understand how some have changed over time.
WALT Describe and understand key aspects of physical geography – climate zones, vegetation belts, mountains.
WALT Describe and understand key aspects of human geography – types of land use, distribution of natural resources (energy).
WALT Use maps, atlases, globes and digital mapping to locate the countries and features studied.

SCIENCE: Animals including humans

WALT Describe the changes as humans develop to old age.

COMPUTING: iCrypto

WALT Understand that messages can be sent and received secretly
WALT Learn encrypt/decrypt simple messages
WALT Understand signalling is a form of communication
WALT Communicate simple messages through signals
WALT Understand that messages can be sent electronically over distances
WALT Understand that data can be transmitted as binary (on or off)
WALT Encode and decode Morse code
WALT Understand that messages have been encrypted/decrypted throughout time
WALT Encode/decode messages using a simple shift cipher
WALT Understand the algorithm of a simple shift cipher
WALT Use frequency analysis to decipher encrypted text
WALT Understand the importance of cryptography historically and today
WALT Understand how the Enigma Machine operates

Languages - French

Describing People

WALT Revisit of body parts
WALT Ask and answer questions in French to find out personal information
WALT Describe a person of their choice including what they look like and what they are wearing – use 3rd person
