

The BeDifferent Federated Virtual Valentine's Bake Off

'All you need is love. But a little chocolate now and then doesn't hurt.'

Dear Families,

We could all do with a little 'pick me up' every now and then and in these very difficult times this is truer now than ever before. A small piece of chocolate every so often can work a treat for our temperament. The chemical makeup of chocolate means that it boosts serotonin (the happy hormone) and leaves us feeling calm and happy.

With this in mind, we are very excited to share with you the plan for our second Federated Virtual Bake Off – A Virtual Valentine's Day on **Thursday 11th February 2021**.

We invite you to design and bake your very own chocolate creation to share with us, as part of a Virtual Valentine's Day celebration. This could be any recipe you like, as long as it involves chocolate and baking. The expectation will be that you bake your treat at home, as a family, and then join us to share your finished product on a Zoom call with families from across the Federation **at 5.00 pm**.

If you would be interested in taking part in the '**Virtual Valentine's Day on Thursday 11th February**', please complete the form below and email it to searle@singlegate.merton.sch.uk by **Monday 8th February**. Any forms received after this date will not be included. Places are limited across the Federation and will be allocated on a first come, first served basis. A link will then be emailed out to enable you to join us.
