Amazon Smile donations received by FoSS to date

As of February 2021, Amazon Smile has donated £85.29 to FoSS. The committee is keen to promote Amazon Smile amongst parents and families as we feel this level of donation can be significantly increased with greater awareness of the programme.

Amazon Singlegate Primary School Wish List

A list of educational and play items is detailed on the Amazon Singlegate Primary School Wish List site.

Parents, wider family, friends or organisations are free to purchase items from this wish list for the school community to enjoy.

Usually, multiples of each item are listed on the site and hence those that are able to support can elect to purchase single or multiple units of one or many items included on the wish list.

If parents or family have any suggested items they would like to add to the wish list, these can be communicated to the FOSS committee using the following email address: foss@singlegate.merton.sch.uk
