

An online course to help parents in Merton communicate better with each other

Arguing better

Disagreements are a normal part of life, and most couples argue from time to time.

The way you approach these conversations can make a big difference to you, your partner, and your children.

Arguing better is a free online course to help you manage difficult conversations, avoid conflict, and improve things for your whole family.

You will learn:

- Where stress comes from and how it can affect you.
- Ways to recognise stress and talk about it.
- How to support each other through difficult times.
- What causes arguments and how to stop them.

To access the course, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.

- *Arguing better* is designed for parents who want to learn healthy ways to deal with stress and conflict.
- The course is online so you can go through it at your own pace.
- You can do it all in one go or save your progress and come back to it later.
- The course will take about 40 minutes to complete, so it's best to give yourself enough time and space to reflect.
