Respect, Kindness, Honesty, Equality and Love

School

The Learning Environment

Our school will:

- Provide your child with a high standard of education, implemented by rigorous national guidelines, within a personalised, enriching curriculum.
- Ensure that our learning environment is stimulating and challenging.
- Celebrate your child's academic and personal achievements.
- Provide the scaffolding needed to enable your child to achieve their full potential.
- Care for your child's safety and well-being by listening and supporting.

A Healthy, Happy Community

Our school will:

- Teach children to develop a positive attitude to one another, regardless of gender, race, culture, belief, values, age and need.
- Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them.
- Regularly meet with you to communicate the progress of your child, celebrating their strengths and explaining how we can support them in their areas for development.
- Provide information to you about our school, including relevant policies, meetings, workshops, activities and bulletins.
- Be very happy to welcome you if you would like to contribute to our school's broader curriculum. We recognise that the wider school community holds a wealth of talent, experience, diversity and enthusiasm that our school could benefit richly from.

Learning at home

The school will:

- Set relevant homework to support and extend the curriculum and provide the opportunity for independent learning.
- Provide information and helpful training sessions for you that will give you the confidence to support your child.

Families

The Learning Environment

As a Parent/Carer I will:

- Help my child gain the most of their education by making sure that my child arrives at school by 8:50 am prepared to start their lessons. My child will be wearing named school uniform or other suitable clothing and their PE kit will be brought into school at the beginning of each week.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

A Healthy, Happy Community

As a Parent/Carer I will:

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with the school to ensure that the behaviour management strategies employed are understood, agreed and followed, particularly when it concerns my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with the school, as it is much healthier to find solutions together and move on.

- Ensure that my online presence (including on social media platforms such as Facebook, YouTube, Twitter, Instagram and WhatsApp) relating to the school, its staff and families is a positive one and does not in any way involve the sharing of malicious or harmful information that may in any way affect a member of staff, other families/children or the reputation of the school.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities and newsletters.

Homework

- Please support the school by making sure that homework tasks are completed and returned on time.
- Please use your talents and experiences to enhance your child's learning at home. Your child will benefit greatly from what you can show them, discuss with them and teach them.
