## Reception Homework Projects

### Autumn 2

#### ART & DESIGN

It's time to wrap up!  
Can you go on a leaf hunt and make a picture using the conkers and leaves you found?  
What can you make using these materials?

#### MATHEMATICS

##### Spot and talk

What shapes can you spot in the house, on the street, in the shops?  
Can you draw the objects that you saw onto paper?  
What shapes are they?

#### ENGLISH

Can you draw or paint your own Autumn tree and write three words to describe what Autumn might feel and look like?  
Use your phoneme fingers to help you write the words.

#### PHYSICAL DEVELOPMENT

Can you get ready in 3 minutes on your own?  
It's a race! Get your mum, dad, sister, brother or cousin to race you!  
Can you zip up your own coat?

#### UNDERSTANDING OF THE WORLD

Investigate the world around us by using your senses. Can you go on a leaf and conker hunt and describe what you see and feel?  
Can you bring the leaves and conkers to school?

#### COMPUTING

Can you use a camera or a phone to capture where you think squirrels hide their nuts?  
Please bring the photo to school or send to Mrs Davey.
