

BeDifferent Federation

Year 1 Homework Projects Autumn 2

ENGLISH

Have you ever had a day that made you feel so excited you could pop? What about a day that made you so happy you couldn't stop smiling?

Write a diary entry to tell us all about it!

MATHEMATICS

Use geometric shapes to create a rocket ship picture. Can you tell us what shapes you have used?

SCIENCE

We are Zooming to the Moon this term. We would like you to identify what every day materials you would use to make a space suit? Explain why.

ART & DESIGN

We would like you to create your very own 3D model of our solar system.

COMPUTING

It's time to research.
Create a fact file about one of the planets in our solar system.
BBC Kids has some great videos to watch.

HISTORY

We would like you to create a poster about a famous astronaut for us to display in our classroom.
