

Sportsmanship

Following each of our Sports Days this year, we asked the children and staff to come together in a circle time to discuss and vote for those children in their class who had demonstrated exceptional sportsmanship.

Sportsmanship encompasses a whole host of behaviours that we would expect to see, including:

- Praising and encouraging others
- Showing empathy towards others
- Show joy
- Showing perseverance and determination
- Congratulating others when they have achieved well
- Supporting others if they need help

Here are our Sportsmanship winners for 2022.
