It is time to celebrate Christmas Differently

We are excited to be able to invite families back into school to share and enjoy the children's learning experiences and most importantly, to be able to smile, laugh and have some fun. With this in mind we Ho, Ho, hope you are able to join us this December to celebrate Christmas through our **Christmas Jingle Jamboree**.

As part of the Jingle Jamboree, children will perform a collection of festive songs, raffle tickets for our luxury self-care hampers will be on sale and there will also be an opportunity for you to buy a home baked treat or gift supporting and encouraging an element of self-care. With this in mind, please don't forget to bring your loose change with you so that you can purchase an early Christmas gift or much needed self-care 'pick me up' for yourselves or a loved one.

Ahead of you coming in, we would like to remind you that **only one person per family is able to attend the jamboree**.
