

JTA Newsletter

We are the new Junior Travel Ambassadors Team.

Let us introduce ourselves.

Hi! I am Luciana and I am a JTA at William Morris. I am really looking forward to meeting with the staff and children within my role as a JTA. I am looking forward to sharing my ideas and introducing various competitions and judging the entries we receive.

Hi!
I am Katy Rose and I am part of the JTA Team. I am delighted to be here and I would like to inspire other children to become JTA's and to follow their dreams. I would love to help keep children safe, and to make a difference to the parking at William Morris. I am looking forward to seeing all the competition entries that we get and judging them with the JTA Team.

Hi! I am Josiah and I would like to keep the children safe by persuading the parents by not parking in front of the blue gate, on the Zig Zags or on the double yellow lines. This stops emergency services, visitors and staff from entering or exiting the school safely. I am looking forward to seeing and judging all the entries for the different competitions.

Hi! I'm Caleb I have many ideas to help the community stay safe whilst travelling to and from school.

I am looking forward to all the duties the role involves, and seeing the entries to the competition and sharing those with the school.

Competitions to look forward to.

We have two upcoming events for the children to look forward to.

The first competition for the academic year will be to design a pamphlet to promote safe and considerate parking around the school.

This competition is for the children in Year 5 and Year 6 only and will support our mission to persuade parents to park considerately so all children can be dropped off and picked up safely.

The winner of this competition will have their pamphlet photocopied and the JTA Team will be distributing them amongst the cars parked before and after school to spread the message.

The deadline for entering the competition is **Friday 24th January 2020.**

We hope to have a great variety of pamphlets to choose from. Good luck!

After half term we will be asking all the children to design their own 'High Viz bag' to stay safe in the dark and bad weather.

The competition will be open to the whole school with a prize for the best bag in each Key Stage.

Do look out for further details after half term!

Finally, please be aware that we have mentioned our parking campaign to the Local Authority and PCSO Team and they will be patrolling and ticketing cars that are parked illegally outside of the school.
