Dear Mrs Bull

Final inspection report

Singlegate Primary School

As you are aware, our inspection of your school took place on 15 and 16 November 2023. We carefully considered the comments that you submitted following a review of the draft inspection report. Our internal moderation process for this inspection found that there were elements of the inspection evidence base that were not sufficiently secure. This is a very rare occurrence and as such was treated very seriously by Ofsted.

We returned to your school on 22 and 23 January 2024 to gather additional evidence and to complete the inspection.

I am sharing with you the final version of your inspection report. We will usually publish the report eight working days from the date of this letter on the [Ofsted reports website](#). I am sorry that there has been a significant delay in publishing this report as a result of the need to return to gather additional evidence.

I can assure you that we take any concerns about our inspection practice very seriously. I am sorry for the poor inspection experience that you have had, and for the stress and disruption that this has caused you and staff at your school, and for any concerns it has raised for your parents. I am pleased that the inspection outcome confirms that Singlegate Primary remains an outstanding school.

You are required to distribute a copy of the report to the registered parents of all registered pupils. This includes any registered parent who may not be living with the child and includes pupils who do not currently attend school but are still on the school's roll, for example due to sick leave or temporary exclusion. The school must distribute the report to parents within five working days from the date of this letter.¹

¹ This is required under the Education Act 2005 section 14(4)(c) in relation to maintained schools and section 16(3)(c) for academies, free schools and non-maintained special schools. Regulation six of

If you experience any difficulties accessing the report on the Ofsted website, please contact us – the inspection support administrator listed below is your best point of contact.

In addition to the concerns you have already raised, if you are dissatisfied with your inspection report or the inspection process, you may submit a formal complaint using the form on the [Ofsted website](#). You should submit any complaint by the end of the fifth working day from the date of this letter.

Post-inspection survey

We invite you to complete our short post-inspection survey on the [provider portal](#) with your views on the inspection process. This includes your views on the impact the inspection is likely to have in bringing about improvement to your provision. By responding to this survey, you will help Ofsted improve the inspection process.

Please accept again my sincere apologies for any distress or inconvenience caused to you and other members of the school.

Yours sincerely
